

2-Bedroom Apartment in Agia Fyla

€350,000 +VAT

Agia Fyla, Limassol

This two-bedroom apartment in Agia Fyla delivers 89 square meters of internal living space currently under construction.

The interior layout arranges two bathrooms alongside the dedicated living and bedroom spaces.

Elevator access serves the third floor, where the top-floor setting of the three-story building takes in views over the city.

Agia Fyla sits directly north of Limassol. The district functions as a residential suburb built with low-rise apartment blocks and detached houses. Everyday services across the area include supermarkets, pharmacies, bakeries, and bank branches.

Contact DoorWay Real Estate for details regarding the current stage of construction.
