Duplex Penthouse in the city center for sale #1547

€949,000

A brand new - big duplex penthouse filled with luxury and space. With about 240 square meters of beautiful living area, this home is one of the biggest you can find.

Located right in the middle of the city, everything you need is close by - schools, stores, cafes, and restaurants are just a stone's throw away.

Step onto the huge balconies and enjoy stunning views of the sea and the city. This penthouse is perfect for families, older folks, and new couples looking for comfort and convenience.

You even get a parking spot underground! This building was built in 1985, so the apartments are bigger than newer ones, giving you plenty of room to relax and enjoy life.
