Spacious Office Space in the City Centre #3943

€3,500 +VAT /month

In the city's heart, this office space suitable for doctors or any other professional use is now available. This space comprises 4 private office rooms that are perfect for some focused work time. Additionally, 2 larger rooms can be used as waiting areas or even conference rooms for group meetings. The 250 sq meters are completed with two toilets, a bathroom, and a large kitchen. There is also a reception area, a storage room, and 6 dedicated parking spaces. The plot is 800 square meters providing a 550 square meter space that can be transformed into a parking area.

250 m²
