Sea-View Building Plot in Parekkklisia

€100,000 +VAT

 Parekkklisia, Limassol

Set against the picturesque backdrop of Parekkklisia, this 409 m² building plot presents an exceptional canvas for designing a bespoke coastal residence. Positioned to capture sweeping panoramic sea views, the parcel offers an inspiring setting to bring your architectural vision to life under the Cyprus sun.

Whether you envision a contemporary family villa or a tranquil Mediterranean retreat, the grounds provide a versatile footprint for light-filled interior layouts, sun-drenched outdoor entertaining terraces, and landscaped garden areas. The elevated outlook ensures everyday living is framed by serene blue horizons and an open, airy atmosphere.

Located in the peaceful and sought-after community of Parekkklisia, the property blends village charm with effortless access to coastal amenities, pristine beaches, and city connections. Offered at 100,000 EUR (plus VAT), this parcel represents a prime building opportunity. Contact DoorWay Real Estate today to arrange your private site viewing.
